Sir:

Applicants herewith submit a list of a single reference potentially material to the above-referenced application. Since this application is being filed after June 30, 2003, the requirement for a copy of the U.S. patent publication has been waived.

Applicants reserve the right to contend, where appropriate, that if the reference is asserted against any claim of the present application, that it is not prior art under the facts and the law and to present appropriate arguments and/or evidence to establish patentability over the reference should it be applied against the claims of the present application.

It is respectfully requested that the reference be considered and made of record.

Respectfully submitted,
